Dear St. Joseph School Families,

Each year, the cost of educating a child rises. In response, St. Joseph School actively pursues opportunities to grow the tuition assistance available to our families. Some of this assistance comes from generous benefactors within our community while other assistance comes from national organizations, each striving to make Catholic education affordable for all. Whether base tuition is a financial hurdle for your family or the number of children your family enrolls at St. Joseph School poses challenges, our school is there to support you. When your family is prayerfully considering its 2020-2021 tuition pledge in support of St. Joseph School, keep the available tuition assistance in mind.

The base tuition for the 2020-21 school year will be unchanged from last year at \$2,400 for grades K-8, \$2,700 for 4K, and \$1,300 for 3K.

The estimated cost of educating each child in grades K-8 at St. Joseph is \$7,000/student: tuition covers roughly 40% of this cost. The remainder of the cost of educating comes from the support of our four cluster parishes along with the fundraising efforts of our school families and the generosity of families contributing to the full cost of education. Please prayerfully consider what your family can contribute to the full cost of education.

On behalf of the St. Joseph School family, we thank you for trusting your child's education to St. Joseph School and we look forward to working with you to build a better world.

Sincerely,

Jerry Van Dyke, Principal
