

ATHLETIC SURVEY

Please take the time to fill out the survey below (fill out one for **each** child) and return by **May 2**. As we work on next year's schedules, we need to know how many students will be out for each sport so we can plan accordingly. Since numbers determine how our programs are set up, it is important for us to have somewhat of an accurate count NOW! Please mark "yes" ONLY if you are committed to playing for St. Joseph School (above other city/traveling programs) on a particular team. We need students who sign up for our teams to BE THERE for OUR team practices, games, and tournaments. This is a **commitment** to our school. We take pride in being Spartans.

GIRLS – The girls have the option of volleyball or golf, basketball, and tennis or track. Girls must choose between volleyball and golf in the fall and tennis and track in the spring. They cannot do both sports at the same time. We are not sure how many volleyball teams there will be next year. Golf is usually about 5 weeks in the fall. We will probably end up with 1 team for basketball. We will have a track team and compete in 3-4 meets. Tennis lasts about 4-5 weeks in the spring.

BOYS – Boys will have the option of golf, basketball, tennis, and track. Golf is usually about 5 weeks in the fall. Boys must choose between tennis and track in the spring. We will probably end up with 1 team for basketball. We will have a track team and compete in about 3-4 meets. Tennis lasts about 4-5 weeks in the spring

We DO NOT CUT players. Everyone participates or plays.

If your child is not returning or planning to participate, please send me an email indicating that so I am not waiting on a form for them.
