

SPARTANS ATHLETIC SURVEY

Please take the time to fill out the survey below (fill out one for **each** child) and return by **May 1**. As we work on next year’s schedules, we need to know how many students will be out for each sport so we can plan accordingly. Since numbers determine how our programs are set up, it is important for us to have somewhat of an accurate count NOW! Please mark “yes” ONLY if you are committed to playing for St. Joseph School (above other city/traveling programs) on a particular team. We need students who sign up for our teams to BE THERE for OUR team practices, games, and tournaments.

This is a **commitment** to our school. We take pride in being Spartans.

We DO NOT CUT players. Everyone participates or plays.

GIRLS – Girls have the option of volleyball or golf, basketball, archery, and tennis or track.

BOYS – Boys have the option of golf, basketball, archery, tennis or track.

Girls must choose between volleyball and golf in the fall. We are not sure how many **volleyball** (Sep-Oct) teams there will be next year.

Golf (Sep-Oct) is usually about 5 weeks in the fall with no competitions.

We usually only have enough players for 1 team for **basketball** for each gender (Nov-Dec, Dec-Feb).

Archery lasts about 3 months during the winter (Jan-Mar).

Athletes must choose between tennis and track in the spring (April-May). We will have a **track** team and compete in 3-4 meets. **Tennis** lasts about 4-5 weeks in the spring with no competitions.

If your child is **NOT** returning or planning to participate.

please send me an email (c.nielsen@sjsricelake.org) indicating that so I am not waiting on a form.
